Auto Endorsements and Add-Ons

Optional coverages: Full Glass, Roadside Assistance, Rental Reimbursement, New Car Replacement, Claims-Free Discount Protection and Rideshare.

This is a fictional specimen policy wording created solely for a software demonstration. Copperleaf Auto Insurance is not a real company. This document is not an insurance contract and provides no coverage.

1. How Endorsements Work

An endorsement adds to or changes your Copperleaf Personal Auto Policy. An endorsement applies only when it is shown on your declarations page. All other terms of the policy continue to apply.

2. Full Glass

Full Glass replaces your Comprehensive deductible for glass losses with the Full Glass deductible shown on your declarations page (typically $100). It covers repair or replacement of the windshield, side windows, rear window and glass sunroof, including chip repairs. We arrange glass repair within 2 business days of the claim. Glass-only claims do not count against your claims-free discount.

3. Roadside Assistance

We pay for roadside service when your covered auto is disabled: towing to the nearest qualified repair shop (up to 15 miles), jump-starts, flat tire changes using your spare, lockout service and delivery of fuel, oil or water (you pay for the fuel itself). Up to 4 service calls per policy term. Using Roadside Assistance is not a claim and does not affect your claims-free discount.

4. Rental Reimbursement

If your covered auto cannot be driven because of a covered Collision or Comprehensive loss, we pay for a rental car of similar size, up to $40 a day and up to $1,200 per claim. Coverage begins when the car is taken to a repair shop (or, for theft, 24 hours after the theft is reported) and ends when the repairs are complete, when we offer a settlement for a total loss, or when the $1,200 limit is reached, whichever comes first.

5. New Car Replacement

If your covered auto is a total loss within the first 2 model years and has fewer than 24,000 miles, we will pay for a new car of the same make and model, with similar equipment, minus your deductible, instead of its actual cash value. If the same make and model is no longer available, we pay for the closest comparable new model. After 2 model years or 24,000 miles, a total loss is settled at actual cash value.

6. Claims-Free Discount Protection

With Claims-Free Discount Protection, up to 2 claims in any 36-month period do not remove your claims-free discount. A third claim within 36 months may remove the discount at renewal. Glass-only claims never count against the discount, with or without this protection. Your premium may still change for

other reasons, such as rate changes, a new driver, a new address or a different vehicle.

7. Rideshare

The Rideshare endorsement extends your coverages to the time you are logged in to a transportation network app and waiting for a ride request, until a request is accepted. Once a request is accepted, the transportation network company's insurance applies first. Without this endorsement, there is no coverage while the covered auto is being used for rideshare or delivery for a fee.
