# Copperleaf Personal Auto Policy - Full Coverage

*Liability, Medical Payments, Uninsured Motorist, Collision and Comprehensive coverage for your covered auto.*

*This is a fictional specimen policy wording created solely for a software demonstration. Copperleaf Auto Insurance is not a real company. This document is not an insurance contract and provides no coverage.*

## 1. About This Policy

This is your Copperleaf Personal Auto Policy. Full Coverage means the declarations page shows Bodily Injury Liability, Property Damage Liability, Medical Payments, Uninsured Motorist, Collision and Comprehensive (other than collision) coverage. Optional coverages such as Full Glass, Roadside Assistance, Rental Reimbursement and New Car Replacement apply only when they are shown on your declarations page. The policy term is 12 months.

## 2. Definitions

- "You" and "your" mean the named insured shown on the declarations page and a spouse or domestic partner who lives in the same household. "We", "us" and "our" mean Copperleaf Auto Insurance.
- "Covered auto" means the vehicle shown on the declarations page (identified by its vehicle identification number and license plate), a newly acquired auto reported to us within 30 days, and a temporary substitute auto used while your covered auto is out of service for repair.
- "Actual cash value" means the market value of the vehicle immediately before the loss, taking into account its age, mileage, condition and depreciation.
- "Deductible" means the amount you pay toward each covered physical damage loss. The deductible for each coverage is shown on your declarations page. We pay the covered amount above the deductible.
- "Collision" means the upset or rollover of your covered auto, or its impact with another vehicle or object, including a pothole, curb, guardrail or tree.
- "Comprehensive" (also called other than collision) means direct and accidental loss to your covered auto that is not caused by collision.
- "Non-owned auto" means a private passenger auto, pickup or van that is not owned by, furnished to or available for the regular use of you or a family member.

## 3. Part A - Liability Coverage (Bodily Injury and Property Damage)

We will pay damages for bodily injury or property damage for which you become legally responsible because of an auto accident, up to the Bodily Injury and Property Damage limits on your declarations page. We will settle or defend, as we consider appropriate, any claim or suit asking for these damages, and we pay defense costs in addition to the limits of liability.

**Driving other cars**

Liability coverage extends to you while you drive a non-owned auto, such as a friend's car or a relative's car, with the owner's permission. Your Liability coverage pays for injury to other people and damage to

their property. Damage to the non-owned auto itself is NOT covered by your Collision or Comprehensive coverage; the owner's own auto policy is expected to respond first for damage to their car. A rental car you rent for 30 days or less is treated as a temporary substitute auto.

## 4. Part B - Medical Payments Coverage

We will pay reasonable expenses for necessary medical and funeral services because of bodily injury caused by an accident and sustained by you, a family member or any other person while occupying your covered auto, up to the Medical Payments limit per person shown on the declarations page, regardless of who is at fault.

## 5. Part C - Uninsured Motorist Coverage

We will pay damages that you are legally entitled to recover from the owner or driver of an uninsured motor vehicle because of bodily injury caused by an accident. An uninsured motor vehicle includes a hit-and-run vehicle whose owner or driver cannot be identified. A hit-and-run accident must be reported to the police within 24 hours.

## 6. Part D - Coverage for Damage to Your Auto

### Collision

We will pay for direct and accidental loss to your covered auto caused by collision, minus the Collision deductible shown on the declarations page. This includes single-vehicle accidents and rollovers. Our limit of liability is the lesser of the actual cash value of the damaged property or the amount necessary to repair or replace it with parts of like kind and quality.

### Comprehensive (other than collision)

We will pay for direct and accidental loss to your covered auto not caused by collision, minus the Comprehensive deductible shown on the declarations page. Comprehensive losses include:

- Fire, lightning and explosion.
- Theft or larceny of the covered auto or its parts, and damage caused by an attempted theft.
- Vandalism or malicious mischief.
- Hail, windstorm and wind-blown debris.
- Flood damage, rising water or a storm surge reaching your covered auto while it is parked or stationary (flood damage to a parked car is covered).
- Falling objects, such as a tree limb, rocks or debris.
- Contact with a bird or an animal, such as hitting a deer.
- Glass breakage, including a chipped or cracked windshield or a broken window.

### Glass coverage and the Full Glass deductible

If Full Glass coverage is shown on your declarations page, repair or replacement of the windshield, side windows, rear window or glass sunroof is subject to the Full Glass deductible shown there (typically $100) instead of your Comprehensive deductible, for a chip repair as well as a replacement. Without Full Glass coverage, glass breakage is paid under Comprehensive, subject to the Comprehensive deductible.

Glass-only claims do not count against your claims-free discount.

**Transportation expenses**

If your covered auto is stolen, we will pay up to $25 a day, to a maximum of $750, for transportation expenses beginning 48 hours after the theft is reported to us and to the police. Rental Reimbursement coverage, if shown on the declarations page, replaces this amount with higher limits.

## 7. Exclusions - What Is Not Covered

**Water ingestion when driving into flood water**

We do not pay for damage to the engine, transmission or electrical system caused by water ingestion when the covered auto is knowingly driven into standing or moving flood water, including a flooded road, ford or underpass. This exclusion applies even when the flooded road or underpass was open to traffic. Flood damage to a parked or stationary car is still covered under Comprehensive; this exclusion applies only when the car is driven into the water.

**Other exclusions**

- Wear and tear, freezing, rust, corrosion and gradual deterioration.
- Mechanical or electrical breakdown or failure that is not caused by a covered collision or comprehensive loss.
- Damage to tires alone, unless caused by fire, theft or vandalism or occurring at the same time as another covered loss.
- Racing, speed contests, track days or any organized timed driving event.
- Using the covered auto to carry people or property for a fee, including rideshare or delivery use through a transportation network app, unless the Rideshare endorsement is shown on the declarations page.
- Intentional damage caused by you or at your direction.
- Loss to a non-owned auto you are driving (see Driving other cars in Part A).
- Personal belongings left in the vehicle or the trunk, and custom equipment not listed on the declarations page.

## 8. Policy Territory

This policy applies only to accidents and losses that happen during the policy period within the policy territory. The policy territory is the United States of America, its territories and possessions, Puerto Rico and Canada. This policy also applies to loss to, or accidents involving, your covered auto while it is being transported between their ports. There is no coverage for accidents or losses that happen outside the policy territory, for example in Mexico. A road trip to Canada is within the policy territory, and your coverages apply there exactly as they do in the United States.

## 9. Claims-Free Discount and Claims-Free Discount Protection

You earn a claims-free discount on your premium after 3 consecutive years without an at-fault or paid physical damage claim. The discount grows with each additional claims-free year, as shown on your declarations page. Glass-only claims do not count against your claims-free discount.

Claims-Free Discount Protection: if Claims-Free Discount Protection is shown on your declarations page, up to 2 claims in any 36-month period do not remove your claims-free discount. A third claim within 36 months may remove the discount at renewal. Your premium may still change at renewal for other reasons, such as rate changes, a new driver, a new address or a different vehicle.

## 10. Duties After an Accident or Loss

- Report the accident or loss to us promptly, as soon as practicable. Late reports can delay a claim.
- Report a theft or a hit-and-run to the police within 24 hours and give us the police report number.
- Cooperate with us in the handling of the claim, including a claims specialist review if requested, and send us copies of any notices or legal papers you receive.
- Take reasonable steps to protect your covered auto from further damage. We will pay reasonable expenses you incur to do so, such as towing to a safe place.
- Allow us to inspect and appraise the damaged vehicle before it is repaired or disposed of.
- Provide photos of the damage, the date, time and location of the loss, and the names and insurers of any other parties involved.

## 11. Appraisal

If you and we do not agree on the amount of a physical damage loss, either may demand an appraisal. Each party selects a competent and impartial appraiser; the two appraisers select an umpire. A decision agreed to by any two of them is binding. Each party pays its own appraiser and shares the umpire's expenses equally.

## 12. Other Insurance

If there is other applicable insurance, we pay only our share of the loss. Our share is the proportion that our limit of liability bears to the total of all applicable limits. For a non-owned auto or a temporary substitute auto, our insurance applies only after any other collectible insurance has paid.
