# Liability + Comprehensive and Liability Only Wording

*Liability coverage for others, with or without Comprehensive coverage for your own car. No Collision coverage.*

*This is a fictional specimen policy wording created solely for a software demonstration. Copperleaf Auto Insurance is not a real company. This document is not an insurance contract and provides no coverage.*

## 1. About These Coverage Tiers

This wording applies to Copperleaf Personal Auto Policies issued at the Liability + Comprehensive tier or the Liability Only tier. Your declarations page shows which tier you have. Definitions, Liability (Part A), Uninsured Motorist (Part C), the policy territory, duties after an accident or loss, appraisal and other insurance follow the Copperleaf Personal Auto Policy (Full Coverage) wording.

## 2. Liability + Comprehensive

The Liability + Comprehensive tier includes Bodily Injury Liability, Property Damage Liability, Uninsured Motorist and Comprehensive (other than collision) coverage.

**What is covered for your own car**

Comprehensive covers direct and accidental loss to your covered auto not caused by collision, minus the Comprehensive deductible: fire, theft, vandalism, hail, wind, flood damage to a parked car, falling objects, contact with an animal such as a deer, and glass breakage.

**No Collision coverage**

The Liability + Comprehensive tier has no Collision coverage. Damage from colliding with another vehicle or object, or from a rollover, is not covered - you can ask about adding Collision. Your Liability coverage still pays for injury to other people and damage to their property when you are legally responsible for an accident.

## 3. Liability Only

The Liability Only tier includes Bodily Injury Liability, Property Damage Liability and Uninsured Motorist coverage. Liability Only gives no physical damage coverage for your own car: there is no Collision coverage and no Comprehensive coverage. Damage to your own car from a collision, theft, vandalism, weather, an animal or glass breakage is not covered.

Liability Only meets state minimum financial responsibility requirements when the limits shown on the declarations page are at least the state minimums. You can ask about adding Comprehensive or upgrading to Full Coverage at any time; changes take effect from the date we confirm them.

## 4. Exclusions

- Any physical damage to your own car that is not covered by a coverage shown on your declarations page.
- We do not pay for damage to the engine, transmission or electrical system caused by water ingestion

when the covered auto is knowingly driven into standing or moving flood water, including a flooded road, ford or underpass.

- Wear and tear, mechanical breakdown, racing, and intentional damage.
- Rideshare or delivery use without the Rideshare endorsement.

## 5. Policy Territory

This policy applies only to accidents and losses that happen during the policy period within the policy territory. The policy territory is the United States of America, its territories and possessions, Puerto Rico and Canada. This policy also applies to loss to, or accidents involving, your covered auto while it is being transported between their ports. There is no coverage for accidents or losses that happen outside the policy territory, for example in Mexico.

## 6. Upgrading Your Coverage
